

Jad Al Hassan

Beirut, Lebanon

+961 81 665 911 — jadalhassan.ja034@gmail.com — LinkedIn — GitHub — Portfolio

EDUCATION

Lebanese American University (LAU)

Bachelor of Science in Computer Science

Expected Graduation: Spring 2027

Aug. 2024 – Present

- **Relevant Coursework:** Data Structures & Algorithms, Database Management Systems, Operating Systems, Software Engineering, Web Development, Computer Networks

EXPERIENCE

IT Support Intern

Al Zahra Hospital

Summer 2025

Beirut

- Provided technical support for staff, troubleshooting hardware and software issues in a fast-paced environment
- Maintained computer systems, printers, and network infrastructure ensuring minimal downtime
- Resolved system issues efficiently, improving operational reliability in a critical healthcare setting

PROJECTS

Course Management System

- Developed a responsive, mobile-first user interface using React and Tailwind CSS with a structured component-based architecture
- Built dynamic pages for course browsing, enrollment, and management with client-side routing and state handling
- Integrated frontend with a Node.js and Express.js backend using RESTful APIs and MongoDB for persistent data
- Implemented authentication flows with JWT and protected routes, with backend deployed on Render

Sports Goods Store Management System

- Designed a web-based system for managing product listings, orders, and inventory workflows
- Defined system requirements using IEEE SRS standards and modeled workflows with UML diagrams
- Applied MVC and client-server architecture principles for scalable system design

Esports Performance Tracker (Database Project)

- Designed a relational database using ER modeling and normalization techniques
- Developed complex SQL queries with joins, aggregation, and subqueries
- Implemented triggers and views to automate performance analytics

TECHNICAL SKILLS

Languages: Java, Python, SQL, JavaScript, TypeScript, HTML, CSS

Frameworks & Tools: React, Node.js, Express.js, Tailwind CSS, MongoDB

Core Concepts: Object-Oriented Programming, REST APIs, Authentication, Debugging, Data Structures

EXTRACURRICULAR ACTIVITIES

President

LAU Chess Club

Fall 2025 – Spring 2026

Treasurer

LAU Football Fans Club

Fall 2025 – Spring 2026

Member

Computer Science Club

Fall 2024 – Present
